

Using QR Codes (QR Code)

Shareholders can download meeting documents and other information via QR Code according to the following steps.

For iOS systems (iOS 11 and above)

1. Open the camera on your mobile phone.
2. Point the camera on your mobile phone at the QR Code to scan.
3. The screen will have a message. (Notification) will come up to the top. Click on that message to view meeting information.

Note: In the case where there is no message (Notification) on mobile phones, shareholders can scan QR Code from the other application such as QR Code Reader, Facebook, and LINE etc.

For Android system

1. Open the camera on your mobile phone or QR Code Reader, Facebook, or LINE application.

Steps for scanning QR Code via LINE

- Go into LINE and select Add Friend.
 - Select QR Code.
 - Scan QR Code
2. Scan the QR Code to view meeting information.
